This could probably be the reason why you might struggle in the clothing wholesale business, couldn't it?
br /

If you want to increase your sales in Europe, you would be interested to know how to do so with a limited budget.
br /

Step-by-step international SEO advice to run a successful a
[href=http://www.catalystentrepreneur.com/french-e-commerce-website.html](http://www.catalystentrepreneur.com/french-e-commerce-website.html) target=_blankfrench website/a.
Follow the guide. br /

br /
Even if you cannot speak or understand any French, we strive to help you to get your website in French generating profits because we are European Marketing experts.
br /

So French language is no longer a problem as we handle your translation situation on your behalf.
br /

The purpose here is to show how and why you'd rather include European Union countries such as France into your marketing strategy. Ideally, we recommend you open another internet browser session to try the following instructions as a proof of what we are demonstrating.
br /

br /
Part 1 - Google UK Organic Search - 17 February, 2009.
br /

Considering your main English keyword is clothes. Please type in Google UK search box the word clothes.
br /

A- Your search in Google UK will display as per: English Keyword clothes.
br /

- Results 1 - 10 of about 147,000,000 for clothes.(top right corner on Google)
br /

- Pages from the UK Results 1 - 10 of about 14,700,000 for clothes. (top right corner on Google)
br /

These figures represent the number of websites competing under the keyword clothes in English and in the UK.
/

br /
Now let's travel to France simply by typing Google France within your search box. br /

br /
Select and click on www.google.fr/ - Great you are in France for free already!
br /

Part 2 - Google France Organic Search - 17 February, 2009.
br /

br /
From the above example, the French(*) equivalent keyword is vêtements. br /

br /
To start the search, simply type in the Google FR search box the word vêtements.
br /

br /
(*) Important Notice:
br /

br /
When you log into Google.Fr, you shall see 3 radio buttons under the search box category displaying:
br /

- Radio button 1 - Rechercher dans Le Web meaning Search in the World Wide Web.
br /

- Radio button 2 - Pages Francophones meaning Pages displayed within the French Wide Web. We could call it F.W.W. for French Wide Web.
br /

br /
- Radio button 3 - Pages France meaning France only.
br /

Consequently, your Google French results will display as per:
br /

French Keyword vêtements.
br /

br /

- Radio button 1: Pages Pages Résultats 1 - 10 sur un total d'environ 36 700 000 pour vêtements (World Wide Web)- top right corner on Google.br /

br /

- Radio button 2: Pages Francophone Résultats 1 - 10 sur un total d'environ 29 800 000 pages en français pour vêtements (French Wide Web)- top right corner on Google.br /

br /

- Radio button 3: Pages France Résultats 1 - 10 sur un total d'environ 16 200 000 pour vêtements (France only)- top right corner on Google.br /

br /

These figures represent the number of websites competing under the keyword vêtements in French, in the French speaking countries and in France.br /

br /

What did you learn so far?br /

br /

In part 1. The results show 14,900,000 websites competing under the keyword clothes in the UK.br /

br /

In part 2. We found 16,200,000 websites competing under the keyword vêtements in France.br /

br /

Now in part 3, let's find out how many searches are done by potential customers under the keyword clothes.br /

br /

Part 3: How many people are looking for your keyword on line?br /

br /

- Number of search in Google UK for clothes: average 68,000,000/month.br /

br /

- Number of search in Google France for vêtements: average 57,430,000/month.br /

br /

As a comparison you get:br /

br /

- In French (total): 36,700,00 French websites competing for 57,430,000 potential internet queries.br /

br /

- In English (total): 147,000,00 English websites for 68,000,000 potential customers queries.br /

br /

Bottom Line:br /

br /

As you can see in this particular case, Google France has more queries than providers when the English Google is over crowded with competitors! br /

br /

This is your chance to start doing serious business in France as we study your market to give you the big picture of your opportunities in E.U.countries.br /

br /

If you want to sell online, you should consider seriously France internet market in your business strategy.br /

br /

As we said earlier on, you do not have to worry about French translation issues because we deliver a full online marketing package including a free [a href=http://www.catalystentrepreneur.com/french-e-commerce-website.html](http://www.catalystentrepreneur.com/french-e-commerce-website.html) target=_blankfrench domain name/a.br /
