Greenfield is one of, if not the most well known legit paid survey sites on the internet. Greenfield is well established and a large percentage of smaller survey sites actually use their surveys to give to their members. The quality of the surveys is high and they are willing to pay their members well for completing a paid survey, making them top of the list.br /

I should also mention Global Test Market which is another top paid survey site. They have been a constant in the paid survey area over an extensive length of time. Their design is clean and user friendly, making it easy for everybody to find their way around and it is always fun to complete one of their paid surveys. Absolutely free to join, Global will never charge you to become a member. It is not possible to discuss all the top paid survey sites online as I could go on and on. Here is what you do to find out where the top paid survey sites are.br /

You may find peoples thoughts on certain paid survey sites by finding posts on internet forums. If a specific top survey site is getting praise from the majority of people it is worth checking out. You are typically going to get honest views regarding other peoples experiences by visiting a forum that has lively conversation. You can also start a new topic asking questions about a paid survey site and see what other people say. Experiences of cash gathering are willingly shared by happy survey members. Join as many top paid survey sites as you can instead of just one or two and you will profit more. Scams can be avoided by only using reputable and recognized top paid survey sites. When you find a good one you will be well on your way to a [href=http://www.richfromtoday.com target=_blankresidual income opportunity/a](http://www.richfromtoday.com target=_blankresidual income opportunity/a) that is lucrative.
