br /  
We have been doing business over the internet for 9 years now. We have tried just about everything out there when it comes to working from home using the internet. Some things worked and some didnt. After a lot of trial and error we have mastered the art of making money over the internet. Once you know how to process emails, you will be able to make very decent amounts of money. br /

br /  
You may have seen other websites offering to pay you to read email. We are nothing like those websites that pay you only pennies for clicking on links in emails that companies send you. Our program is nothing like that. br /

br /  
Email Processing Explained br /

br /  
Once you become a member you will be given a E book about email process and sending. The Email Sending Jobs e book contains a step by step guide which will guide you through each step of how to process emails. You will also gain access to several catalogs of companies who will hire you to process emails for them. There is no cost to join any of the companies and it takes just a couple of minutes to sign-up, every company in the catalogs will accept you to process emails for them and you can begin earning within minutes. The email you will be processing isnt spam email. You will only process genuine emails.br /

br /

br /  
Who can do this home based job? br /

- br /  
-Anyone with basic internet skills and an internet connection.br /  
br /  
-Our program is available worldwide, so basically anyone can become a member.br /  
br /  
-People who want a better way of making money from home.br /  
br /  
-People who are tired of working at a boring job.br /

br /  
How many hours will I have to work per day?br /  
br /

-You can work as little or as much as you want. Many people see good results working only 30 minutes to 2 hours a day.br /

br /

-Of course like in any work at home business, the more you work at it, the more money you will make.br /

br /

What will the work consist of and how is this possible?br /

br /

-Your job will consist mostly of sending and receiving emails. You will also be filling in short forms on the internet. For every email that is successfully processed you will earn \$15 to \$25 depending on the email. br /

br /

-Your job will also consist of checking your statistics daily to see the money youve made.br /

br /

How much will I be paid?br /

br /

-The payout rate for processing emails varies between \$15 to \$25 per email processed with some slight variations.br /

br /

-Base rate varies from \$15 to \$25, sometimes you will be paid more then \$25 per email processed. br /

br /

Imagine Your New Lifestylebr /

br /

You wake up in the morning to a bright sunny day smiling at the thought of another pleasant day. After taking a nice relaxing shower you enjoy a nice breakfast. Then youre eager to walk over to your computer with a fresh cup of coffee in hand. You then login to your computer to see how much money you made for last nights work. You could then spend 1 or 2 hours later that day processing emails. Spend the rest of the day doing things you enjoy with family and friends. This will be your new lifestyle!br /

br /

You will NEVER...br /

...need to learn any technical computer stuff. br /

...need to create your own products or carry any inventory!br /

...need to talk to any customers on the phone!br /

You WILL be able to set your own hours! Work when you want!br /

br /

We will show you step by step how to make your new email processing business a complete success. Whether you have a very slow internet connection or a fast connection, you can still do this job. We started out with a very slow connection 9 years ago when the internet was in its beginnings. Even then we still made lots of money.
