First, celebrity magazines and tabloids are loaded with pictures of famous people. Celebrities are one of the main sources of new fashion trends so it is important to keep up on what they are wearing. When youre flipping through the pages of the latest Hollywood centered magazine pay close attention to fashion designs and if you see a Hollywood star wearing a new or different style of sunglass take note of it. What celebrities are wearing today may be the new rage of tomorrow.br /

Fashion magazines should be held in the same regard as the tabloids for hints on future fashion trends. There are many iconic fashion styles portrayed and they attract a lot of attention from people and are more than capable of producing popular fashion styles. If you see a particular style popping up more frequently then you should probably consider obtaining that style as soon as possible.br /

Another source that is a good hint on upcoming fashion trends for sunglasses are movies. If an actor in a big budget movie is seen wearing a certain style of sunglasses the chances are real good that there will be a surge in the demand for that style afterwards. Wayfarer sunglasses are an excellent example of this principle. Wayfarers have been around for a long time but keep experiencing surges in popularity when they are featured in a movie.br /
