# **The Most Popular Affiliate Marketing Resources On The Net Reviewed!**

The affiliate marketing business has grown immensely over the past decade. The amount of information that can be found on the internet is overwhelming. If you are an affiliate marketer or you are thinking about becoming one, you've probably noticed the tens of thousand affiliate products and programs on the web. And they all are the latest and greatest product that will make you fortunes every year. Some of these products are fantastic, but most of them can't deliver what they promised you. But how are you supposed to know which products work and which product are a load of BS?

That's the question that I too have struggled with when I started out. As a newbie in the world of affiliate marketing I thought that buying all kinds of products would make me a lot of money without putting in much effort. But some time later I had spend hundreds of dollars on several products, but I hadn't made any money! That's when I decided to start with article marketing, a free method to promote affiliate products online. After my first successes I joined a group of affiliate marketers to get some help and guidance on taking my business to the next level. This wasn't free either, but this group was recommended to me by a couple of very successful affiliates who I trusted (one of them was Travis Sago), so I decided to give it a try. This was the first time I had no regrets after purchasing a product. It wasn't really a product, but access to a group of marketers dedicated to helping each other building a successful business online. This group is the Wealthy Affiliate University. Almost everything I know now, I have learned from the Wealthy Affiliates. It's a fantastic group to be part of! Since then I've purchased a couple more products, but only if they were recommended by experienced marketers within the Wealthy Affiliates. And all of them have made me money online. But there can also be found some great free [affiliate marketing resources](#) on the net. Not everything that is good has to cost you money.

I've created a website where I show you all my favorite [affiliate marketing resources](#) (yes, also the free ones). You'll also find a 'affiliate starter pack': The best way to start if you're new to the game, because it will teach you how to make money online without spending any money! This pack has a value of \$269 but you get it for free, so get your [copy](#) today!
