Wealthy Affiliate's Way To Make Money Online, Quickly. Guaranteed!

The Horrible Internet

br /

The internet has tonnes of money making offers. And this is just another one of them. Or is it? I have tried numerous numbers of them and have ended up worse off than when I decided to join. There are a lot of hyped up and over inflammatory promises of how you will make thousands of dollars every week for the rest of your life. No doubt is tempting. However most of these offers. There are a lot of hyped up and over inflammatory promises of how you will make thousands of dollars every week for the rest of your life. Well, you may be searching for an honest business opportunity to either supplement or replace your monthly income. Believe it or not, the potential to make real money online is there, but it is surprisingly not so easy to find. A few weeks back, with Wealthy Affiliate University, I came across an Affiliate Marketing program that struck me as odd and unusually different. It is called Affiliate Junktion.

About Affiliate Junktion

br /

Firstly, the good thing when you visit the Affiliate Junktion is that it readily tells you the what the program is about before you even have to fill in your email address, let alone make a payment. Unlike most program, this one does not require you to fill in your email address, let alone make a payment after being sufficiently informed. The program is 100% free to join, and you should expect to earn at least \$150 per day within 30 days after joining. \$150 per day is the bare minimum you can expect to make after 30 days. I reached the \$75 per day figure four days after starting the program, and the figure has been climbing steadily since. My personal target is \$500 per day.

The instructions are simple with this program. After signing up for free, you will receive a confirmation email, after which you receive another email with instruction on what to do next. Trust me, these instructions could not be simpler, and they make it very easy for you to kick off your business and work towards earning money every day. Here's what you can expect

br /

1. Watch the 2 minute video tutorial on how to get started.

br /

2. Register for a Pro hosting plan with iPower, which includes a free domain. You will have to pay for this yourself, BUT Affiliate Junktion will refund you soon after you mail them the confirmation. The cool thing about this is that I paid \$53 for my hosting with iPower, but was refunded \$75. Already that's a \$22 profit before even getting started!

br /

3. Once you get your membership and login information, you will have your website setup and running with your own first class domain. This is where the action starts.

Unbelievable personal support anytime you need it. Your personal mentor is always more than willing to help you achieve the same success, although there may be some delay in response.

What are the Risks?

br /

The most obvious, is that there is no fee to join. You can justify the risk yourself. Never have I come across an affiliate program willing to pay for your hosting. You can host up to 24 other separate domains using the same account in addition to the Affiliate Junktion one, which is a superb deal. So if you are looking to expand your online business later, this is by far the best way to get hosted for a whole year for FREE! In addition you will also be able to register an unlimited number of email addresses with your domains. Furthermore, Affiliate Junktion has a very unique and full proof guarantee in case you don't manage to make at least \$150 per day after 30 days. Whilst most network marketing programs have a refund policy, Affiliate Junktion goes several steps further by offering you a Guaranteed Income. This means that if after 30 days you are still not making \$150 per day, Affiliate Junktion will pay you \$150 per day until you are able to make \$150 per day on your own! That is how confident they are of their program.

Who can Join?

br /

A computer and internet access is all you need to Affiliate Junktion for free and start making money online,

guaranteed. The recommended time to commit to the program is 1 - 3 hours per week. I spend at most 2 hours per week! Can I still join next year? Quite frankly, the sooner you join the better off you'll be. Places are limited and you might not be able to join later. After all, it is a free to join program which is truly rewarding. br /

To Conclude, The Affiliate Junktion Website Package includes: br /

- Free professionally designed Affiliate Junktion Website br /
- Free advertising credits for search engines (Yahoo! Google) br /
- Free search engine submission to all major search engines br /
- Free domain name and \$75 credit for hosting your website br /

br /

The most important note I must stress is, Affiliate Junktion is NOT a get-rich quick program. And yes you have to get work done! so expect to do a lot of work the first few weeks by following the step-by-step guide. With that said, good luck starting your online business.br /
